SUMMARY

Technology Risk & Cybersecurity leader with **14+ years** of experience building **enterprise-scale risk management, governance, and security compliance programs**. Proven track record of transforming fragmented security processes into **AI-driven platforms** that improve executive decision making, accelerate remediation, and reduce enterprise risk. Deep expertise across **Enterprise Risk Management, GRC, Third-Party Risk, Security Engineering, AI Risk, Compliance, and Cybersecurity Maturity**. Trusted advisor to executive leadership with extensive experience leading **cross-functional initiatives across global engineering organizations**.

PROFESSIONAL EXPERIENCE

Uber Technologies | **Head of Risk Management & Control Assurance** | *Jan 2021 – Present*

- Lead strategy and execution for **Risk Central**, Uber's **AI-native Enterprise Risk Intelligence Platform**, unifying enterprise risk across **users, SaaS, AI agents, endpoints, insider threat, third parties, and data assets** into a single decision-making platform.
- Built Uber's **first enterprise-wide technology risk lifecycle**, standardizing **risk taxonomy, scoring, governance, and reporting** across engineering organizations.
- Designed **AI-driven Third-Party Risk Intelligence**, assessing **23,000+ vendors**, identifying Uber's **most critical suppliers**, and introducing **Vendor Blast Radius** analysis.
- Transformed **Enterprise Issue Management** by introducing **risk-based prioritization and executive governance**, reducing security issue backlog by **70%** while improving remediation velocity by **2–3×**.
- Established Uber's **Enterprise Security Exception Management** program, deploying **AI agents** that automate exception triage and governance while improving policy compliance and reducing **Device Trust exceptions by 40%**.
- Led enterprise **Compliance** initiatives across **PSD2, ISO and SOX**, increasing **automated assurance coverage by 30%** and reducing **audit preparation effort by 40%**.
- Directed Uber's **NIST Cybersecurity Maturity** program, helping improve organizational maturity from **2.4 toward 4.0** through enterprise-wide assessments, forecasting, and strategic investment planning.
- Lead **global cross-functional teams** delivering enterprise security initiatives across **Risk Intelligence, Third-Party Risk, Security Assurance, Governance, Compliance, and AI Risk**.

KPMG US LLP | **Manager** | *Jul 2016 – Jan 2021*

- Led **enterprise technology risk and cyber transformation programs** for **Fortune 500 organizations** across financial services, healthcare, and retail.
- Designed **IT risk frameworks, continuous control monitoring, cloud governance, and executive reporting** that improved audit readiness and operational resilience.
- Served as **trusted advisor to executive leadership** on **risk strategy, control effectiveness, regulatory compliance, and technology modernization**.

Deloitte & Touché LLP | **Senior Consultant** | *Jul 2012 – Jul 2016*

- Delivered **cybersecurity, IT risk, SOX, NIST, and regulatory compliance programs** for **Fortune 1000 organizations**.
- Developed **enterprise risk frameworks, Key Risk Indicators (KRIs), and governance models** that improved security posture and reduced audit findings.

EDUCATION

University of Delhi — Bachelor of Engineering, Electronics & Communication | GPA: 3.93 / 4.0 | 2008 – 2012
